2009 Summer Reading Program

All children, teens & grown-ups are invited to **Be Creative @ Your Library** this summer! The fun kicks off for kids with Barbara Spilman Lawson (June 11, Fishersville; June 16, Churchville) and for adults with Mark Twain (June 13). The Summer Reading Program abounds with storytimes, crafts, activities and prizes. Lots of crazy, creative events will make reading a true **happento** this summer.

Get ready, get set, GO!
 Pick up a novel, craft book, audio book. RELAX. ENJOY.
 Then, wrap up a magical summer of reading with a real magician: Brian Bence on July 23.

Augusta County Employees of the Month: DOROTHY HAMILTON & DENISE SHIFFLETT

I love my library because I can find about any kind of book you can imagine... *ACL has been my favorite place since I moved here in '95. The librarians are all super and some my dear friends. The book supply is outstanding, and I was used to a mega-library system in MD. ACL is a standout... Because the librarians are always helpful, and because I love books!...* This library means a lot to us & I hope the economy doesn't shut it down... It has all the books I need... It has a vocabulary of books I love and you can get them free if you don't bring them back late... **I need**
